Saturday: Speed, Rhythm & Footwork

Weeks 1-2: Oct 3, Oct 10 | RPE 6-7 | ~55 min

Standard warm-up

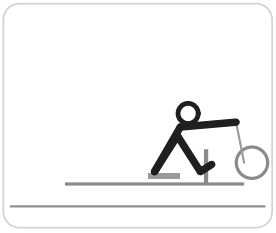
12-14 min, plus jump rope after the rower

Rower stroke

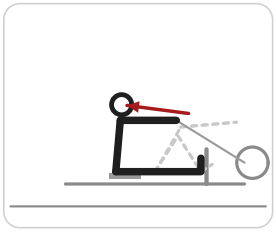
3 x 2 min, 30 sec rest: easy, moderate, a little brisker. 20-24 strokes/min, damper 3-5.

Side view

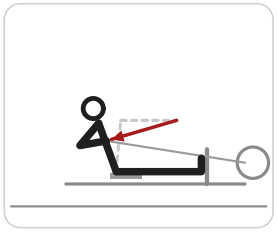
1. Catch: shins vertical, arms long, lean slightly forward.
2. Drive: legs first, then lean back, then pull to your lower ribs.
3. Recovery: arms, body, then legs. The reverse order.
4. Damper 3–5.



Catch



Legs drive



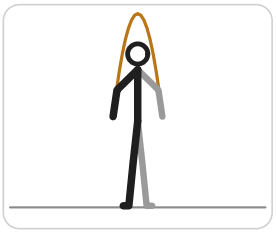
Finish

Jump rope

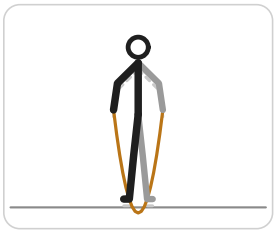
2-3 min

Front view

1. Elbows close to your sides. Turn the rope with your wrists.
2. Small hops on the balls of your feet, just high enough to clear the rope.
3. Trip? Reset and keep going. Everybody trips.



Rope overhead



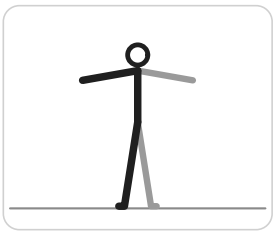
Hop, rope under

Arm circles

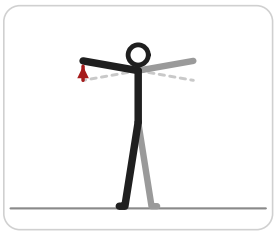
10 forward, 10 backward

Front view

1. Arms straight out at shoulder height.
2. Start with small circles, let them grow.
3. Reverse direction halfway.



Arms out



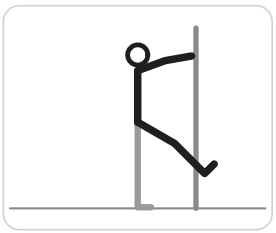
Circle

Leg swings

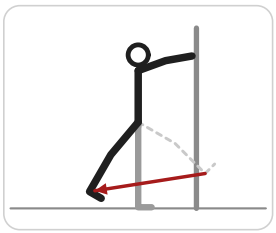
10 per leg

Side view

1. Hold a wall for balance.
2. Swing forward and back, loose and controlled.
3. Stay tall. Don't let your back round.



Swing forward



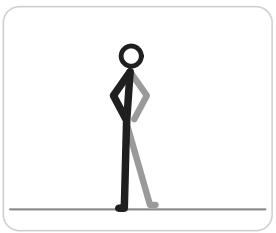
Swing back

Hip circles

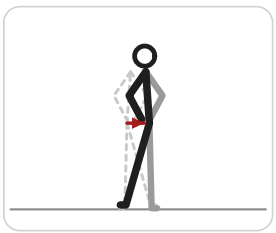
10 each direction

Front view

1. Hands on hips, feet shoulder-width apart.
2. Draw big, slow circles with your hips.
3. Keep your head and shoulders quiet.



Hips left



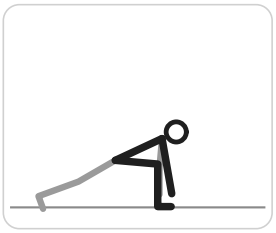
Hips right

World's greatest stretch

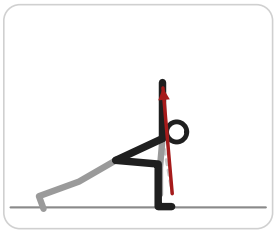
3 per side

Side view

1. Step into a deep lunge, back knee off the floor.
2. Drop your inside elbow toward your front instep.
3. Rotate and reach that hand to the ceiling. Eyes follow the hand.



Elbow to instep



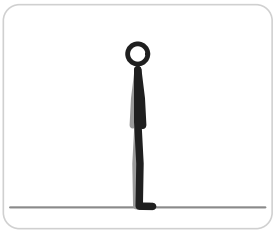
Rotate and reach

Bodyweight squat

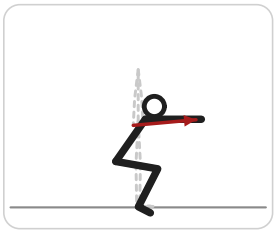
10 reps

Side view

1. Feet shoulder-width, toes slightly out.
2. Sit back and down, chest up, arms forward.
3. Knees track over toes. Drive up through the whole foot.



Stand tall



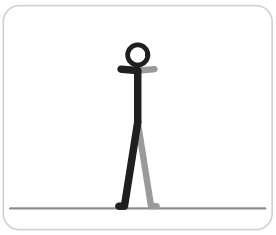
Bottom

Band pull-apart

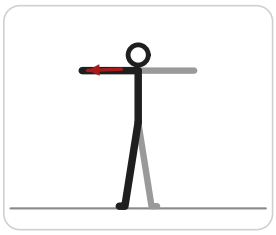
15 reps

Front view

1. Hold the band at chest height, arms straight in front.
2. Pull it apart until it touches your chest.
3. Squeeze your shoulder blades. Control the return.



Arms in front



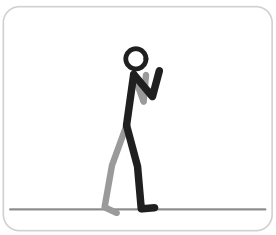
Pull apart

Stance bounce

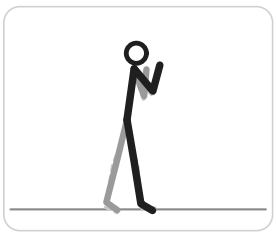
90 sec

Side view

1. Stay in your stance, hands up.
2. Small, light bounces on the balls of your feet.
3. Shift forward, back, and side to side without losing the stance shape.



Down



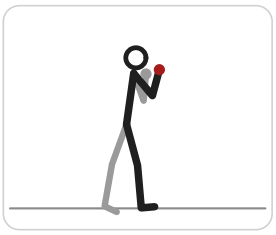
Up

The 1-2

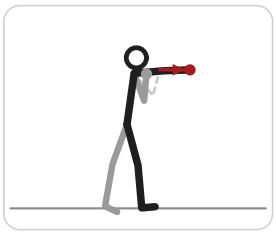
Shadowbox 2 x 2 min at 50%

Side view

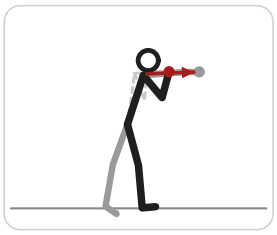
1. Jab, bring it back, then cross.
2. Breathe out sharply on each punch.
3. Step in with the jab. Step out after the cross.



Guard



1: Jab



2: Cross

Double-end bag

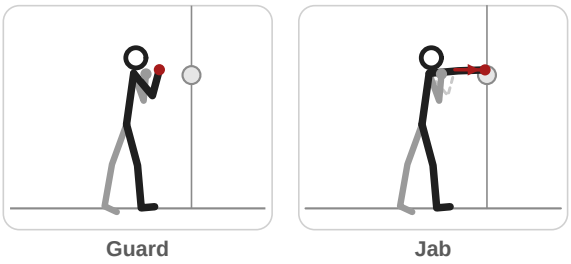
4 x 2 min, 1 min rest. It will hit you in the face. That's the lesson.

Jab

R1: jab only. Hit it, let it come back, learn the timing.

Side view

1. From guard, extend the lead hand straight out.
2. Turn the fist over at the end of the punch.
3. Snap it straight back to your face. Rear hand stays on your chin.

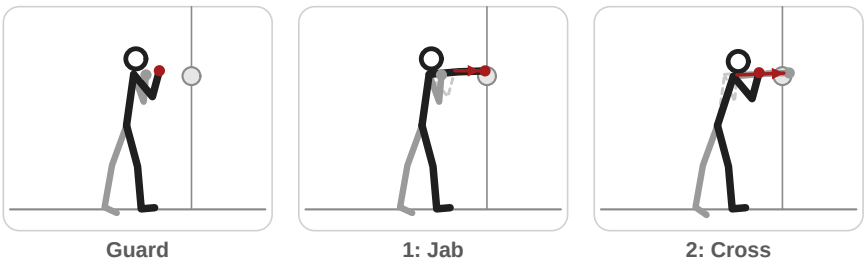


The 1-2

R2: 1-2

Side view

1. Jab, bring it back, then cross.
2. Breathe out sharply on each punch.
3. Step in with the jab. Step out after the cross.

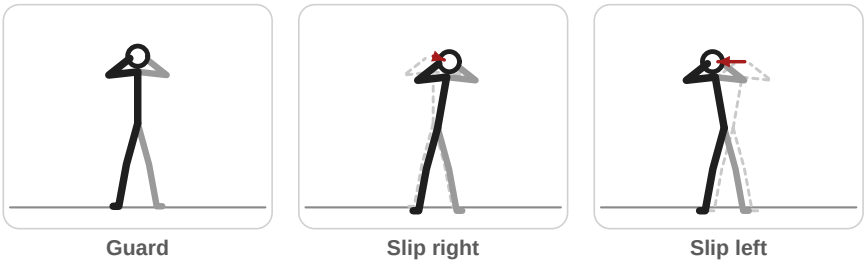


Slip

R3: jab, then slip the return

Front view

1. Bend slightly at the knees and turn the shoulders to move your head off the center line.
2. Move just enough for the punch to miss. A few inches.
3. Eyes stay on the target. Come back to guard ready to punch.



- R4: freestyle with movement.

Speed bag

3 x 2 min, 1 min rest

Speed bag

Rhythm, not power.

Side view

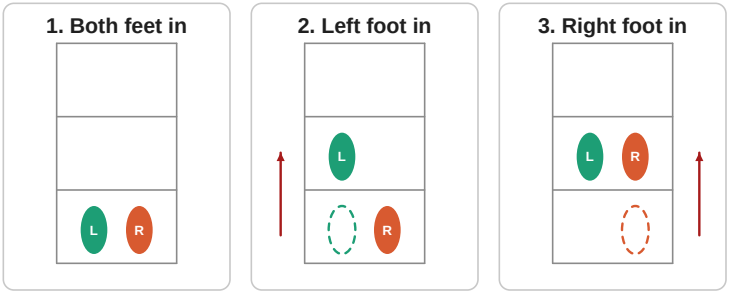
1. Fists at eye level, close to the bag.
2. Small circles with your fists, hitting in rhythm: rebound, rebound, hit.
3. Light touches. Rhythm over power.

Footwork & angles

Footwork: Agility ladder

6 passes

Two feet in every square. Quick, light feet.

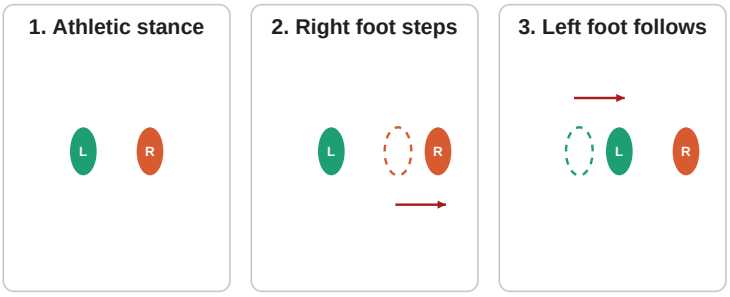


Dark limbs = near side Light limbs = far side Dashed gray = previous position Red arrow = what moves

Footwork: Lateral shuffle

4 x 20 sec between two cones 3 m apart, 40 sec rest

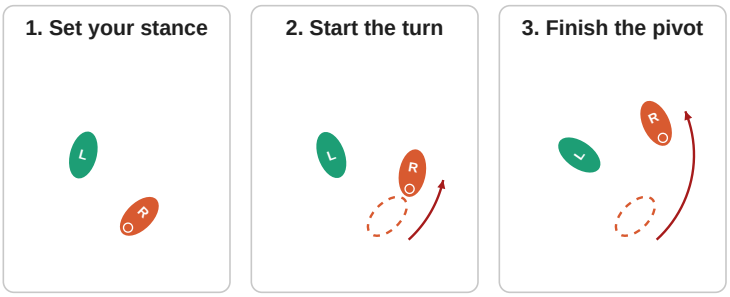
Square athletic stance. The foot closest to where you're going moves first. Never cross or click your heels.



Footwork: Pivot

Angle-out drill: 3 x 2 min. Throw a 1-2, then pivot or step off to the side.

See the footwork sheet for full cues.



Light plyos

Pogo hops

3 x 20

Side view

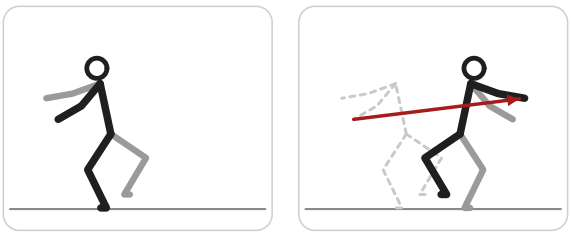
1. Stay on the balls of your feet with your legs nearly straight.
2. Bounce off the floor quickly, like the ground is hot.
3. Short contact, small height. Springs in the ankles.

Lateral skater bounds

3 x 6 per side

Front view

1. Push off one leg and bound sideways.
2. Land soft on the other leg and hold the landing for a second.
3. Knee over toes on the landing. Swing the arms for balance.



Core

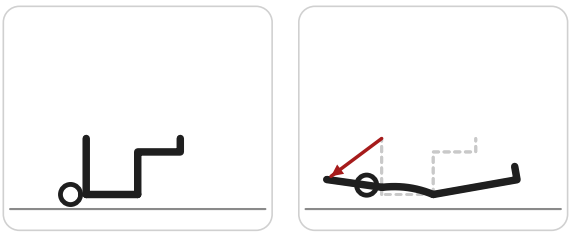
6 min

Hollow hold

3 x 20 sec

Side view

1. Lie on your back, low back pressed into the floor.
2. Lift your shoulders and legs just off the floor, arms overhead.
3. Hold the banana shape. Beginner: bend the knees (tuck hold).

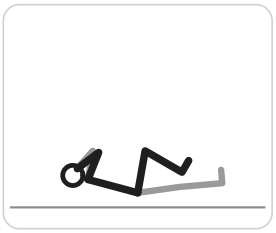


Bicycle crunch

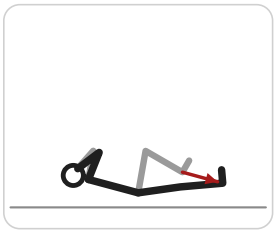
3 x 15 per side

Side view

1. Hands behind your head, shoulders off the floor.
2. Bring one knee in as you turn the opposite elbow toward it.
3. Extend the other leg long and switch. Slow and controlled.



Right knee in



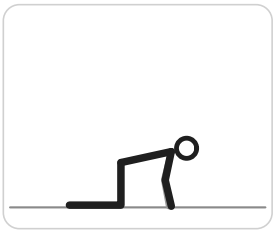
Left knee in

Bird dog

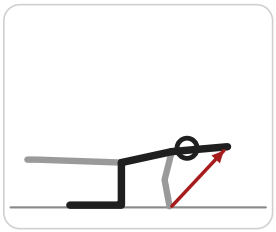
2 x 8 per side, slow

Side view

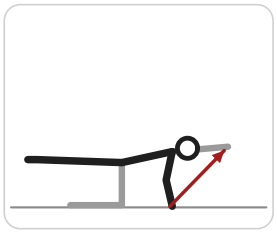
1. Hands under shoulders, knees under hips, back flat.
2. Reach one arm forward and the opposite leg back until both are level with your back.
3. Hold for a second without tipping. Return and switch.



Start



Reach



Switch

Cool-down

8 min

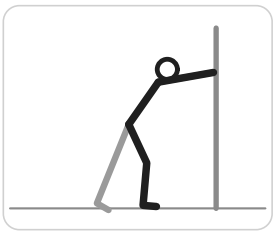
- 3 min walk.

Calf stretch

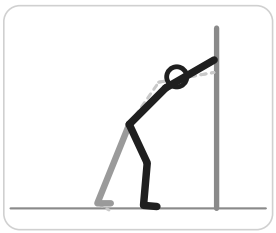
30–45 sec per side

Side view

1. Hands on the wall, back leg straight.
2. Press the back heel into the floor.
3. Lean in until you feel it in the calf.



Hands on wall



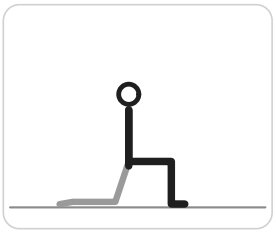
Heel down, lean in

Hip flexor stretch

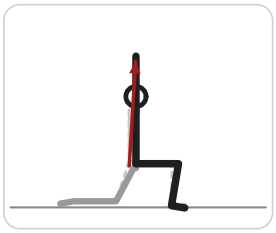
30–45 sec per side

Side view

1. Half-kneeling, front knee over the ankle.
2. Squeeze the glute of the down leg and shift your hips forward.
3. Reach the same-side arm up for more stretch.



Set up



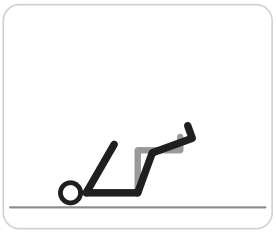
Hips forward, reach

Figure-4 glute stretch

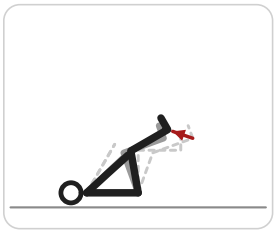
30-45 sec per side

Side view

1. Lie on your back, cross one ankle over the opposite knee.
2. Grab behind the bottom thigh and pull it toward your chest.
3. Keep your head down and breathe into the hip.



Set up



Pull in

Cross-body shoulder stretch

30–45 sec per side

Front view

1. Bring one arm straight across your chest.
2. Use the other forearm to pull it in gently.
3. Keep the stretching shoulder down, away from your ear.

Stand tall | Pull across
